

Contact lens refitting

Your optometrist has recommended refitting your contact lenses to improve their performance. This process involves several appointments with your optometrist where you will trial a number of lenses.

EDINBURGH

Refitting process

The charge for this process is £99 which covers you for up to 3 months worth of appointments and lenses (expires ___/___/___). We recommend becoming a member of our Vision+ scheme for a more cost effective option. With Vision+ membership you are covered for unlimited lens refits and appointments. Vision+ membership will cost £___ per month plus £___ for lenses.

Vision+ benefits include:

Care

- All consultations, including comprehensive eye exams, interim visits and emergency appointments.
- All scans and tests including advanced procedures like glaucoma assessments, macular degeneration assessments and retinal scanning.

Contact lenses

- Competitive pricing on contact lenses checked against online and supermarkets.
- An additional 20% off these already competitive prices.
- Free exchange of lenses should your prescription change, exchange for new material designs and free trials of new lenses.
- Lost or damaged disposable lenses will be replaced free of charge.

Glasses

- 25% off any glasses (including sunglasses) purchases and interest-free credit payment scheme.
- 50% off like for like replacements to damaged or lost glasses.

Family cover

- Free scans for children of Vision+ members who are in full-time education.
- 10% membership fee discount for children of existing members.
